The George I. Waddey & Son, Inc; Nashville Plat Book Collection, 1888-1970, consists of plat maps for Nashville/Davidson county and surrounding areas. George Waddey & Son, Inc. real estate firm was located in Nashville until it ceased operation in 1990.

The records were donated to the Library and Archives consist of four sets of plat maps. These plats consist of published area maps of Nashville, real estate site plans in and around Nashville, and subdivision site plans by various surveyors and developers.

The plats are divided into four groups. Group A includes pages 1-50; Group B, pages 51-105; Group C, pages 106-145 and Group D, 146-188. The index lists the properties both alphabetically by location or name of property and numerically by page.
