INTRODUCTION

The A. W. (Albert Williams) Hutchison, Jr., Papers, 1994 Addition (THS 722), are centered around research on historical homes in the middle Tennessee area and other research done by Mr. Hutchison.

The collection is located at THS II-E-5 and II-C-2v. The span dates for the collection range from 1909 through 1976, but most of the materials are dated 1970-1974.

The collection comprises .84 cubic feet of material; approximately 2,000 items. There are no restrictions on the materials and single copies of unpublished writings in the A. W. Hutchison, Jr., Papers, Addition, may be made for purposes of scholarly research.
SCOPE AND CONTENT NOTE

The A.W.(Albert Williams) Hutchison, Jr., Papers, Addition, is composed of accounts, clippings, correspondence, drawings, epitaphs, financial records, genealogical data, invitations, programs, maps, notes, photographs, publications, historical and biographical sketches, speeches, and writings. The collection is arranged alphabetically by subject and by media (type of material), e.g., Accounts, Associations, Clippings, Correspondence, etc., and the container listing in most cases is described on the item level, especially with reference to photographs and publications.

The bulk of this accretion is comprised of photographs and surveys concerning historic architecture in the Middle Tennessee area. The surveys were carried out by the Tennessee Historical Commission. The photographs in the collection picture some of the most prominent houses in the Middle Tennessee area. Structures included in the photographs are the Athenaeum, Belmont Mansion, Belle Meade Mansion, Glen Oak, Lawnview, Oaklands, Rock Castle, Rosemont, Spencer's Choice, Sunnyside, Traveller's Rest, Two Rivers, and Wynnewood.

Photographic negatives of the old Vanderbilt gym, Rosemont, Goshen Town log cabin, 2600 Essex Place, Morrissey House, Spencer's Choice, a Victorian house across from Rosemont in Gallatin, Tennessee, and a composite of the 1942 members of The Coffee House Club are located in the vault of the Tennessee State Library of Archives (II-C-2v).

A reel to reel tape dated December 16, 1959, recording the 50th Anniversary dinner of The Coffee House Club, Stanley Horn presiding, has been placed in the vault of the Tennessee State Library of Archives (II-C-2v).

The A. W. Hutchison, Jr., Papers, 1994 Addition, is an addition to another collection of A. W. Hutchison, Jr., Papers (THS Manuscript Accession Number 619), already among the manuscript collections in the Tennessee State Library and Archives.
Albert Williams Hutchison, Jr., a Nashville native, was born in 1909, the son of Albert W. and Wilhelmine Blackman Stonestreet Hutchison. He was a graduate of Duncan Preparatory School, Vanderbilt University and the YMCA Law School. He pursued graduate studies at Vanderbilt, Peabody College, and American University in Washington, D. C. For several years he was a member of the faculty of the Vanderbilt School of Engineering.

In 1942 Hutchison entered the United States Naval Reserve and served in the Bureau of Aeronautics and the Office of the Chief of Naval Operations for Air until being discharged with the rank of commander in 1946.

Following several years of experience in construction, general contracting and consulting engineering, in January of 1950 Hutchison became associated with the architectural-engineering firm of Brush, Hutchison & Gwinn which later became known as Hutchison & Associates.

Hutchison was associated with the Rotary International, the Nashville Rotary Club, the Engineering Association of Nashville, the Cumberland Museum, the Nashville Symphony Association, the Old Oak Club, the Round Table, the Coffee House Club, the Historic Sites Federation of Tennessee, the Belle Meade Country Club, the Tennessee Historical Society, and the Society of Amateur Chefs. He was also a deacon in First Presbyterian Church and served as chairman of the church’s Oak Hill Day School.

Hutchison died in his home on December 16, 1986, at 77 years of age. He donated his body to the Vanderbilt University School of Medicine.
