General Guidelines

Construction funds are typically granted to a City, County or Library Board. The applicant must have the legal authority to accept state grant funds and will be responsible for adhering to all applicable laws. In order to qualify for this grant a library must meet the guidelines for inclusion in the regional system (please see Part VI).

State funding will not exceed 50% of the project's budget or \$100,000, whichever is less. The project budget must include an appropriation by the city and/or county government of at least 10% of the amount requested in this application. The minimum amount for a grant award is \$20,000.

Primary consideration will be given to new construction projects and significant expansions. In the case of a library system or a county with multiple libraries buildings, once the system/county has received the maximum in grant funds, any additional applications from that system/county within a 10 year period will be given a lower priority. When funds are available, projects for remodeling will be considered provided the purpose is to improve accessibility of the library and its collections to the public.

Construction grants require a pre-requisite amount of local funds to be spent prior to grant funds. This pre-requisite amount is equal to the amount of the grant award and can be spent on elements of the project that grant funds are not eligible towards, including but not limited to planning, studies, architectural drawings or other pre-construction expenses. These pre-requisite funds can also be spent prior to the grant contract start date. Grant funds can only be for actual construction costs and must be expended within the contracted start and end dates.

- Basic library services are free to the community, including but not limited to circulation of materials, reference services, programming, and public access to technology.
- Have submitted both the Service Agreement and Maintenance of Effort documents

PART VII. CERTIFICATION OF APPLICATION

The Applicant Assures and Certifies:

1. That it possesses legal authority to apply for the grant and to finance and construct the proposed facility; that a resolution, motion or similar action has been duly adopted or passed as an official act of the applicant's governing body authorizing the filing of the Application, including all understandings and assurances contained therein, and directing and authorizing the person identified as the official representative of the Applicant to act in connection with the Application and to provide additional information as may be required.
2. That the architectural plans for the project will be drawn by an architect licensed to practice in Tennessee; that the contractor engaged on the project will be licensed and bonded according to Tennessee law; that access will meet the requirements of the Americans with Disabilities Act; and that the project will be fully reviewed and approved by all relevant building codes authorities.
3. That it will comply with the regulations, policies, guidelines and requirements as they relate to the Application, acceptance and use of funds received from the State for this project.
4. That, if awarded, grant funds will be released only after a majority of the local funding for the project has been expended; that invoices will be submitted and the local agency will be promptly reimbursed by the state up to the amount of the grant.
5. That to the best of their knowledge and belief, all of the statements made in this Application for Construction Funds are true and correct, that the estimates made are as accurate as they can be at this date; that all funds received for the project will be expended solely for the purpose of such grant; and any such funds not so expended, including funds lost or diverted to other purposes, shall be repaid to the State of Tennessee.
6. The funding body(ies) acknowledge and understand that any projected increase in the operational cost will be completely funded at the conclusion of the construction project. (Insert amount of increase from Section IV: \$_____.)
